

THE VELA READER

Visit my site at
www.velareader.com

The Vela Reader is a space dedicated to the subject of "Beauty", a very BIG part of our lives! Launched in February of 2017, every post/review/interview has always been 100% honest, original, and genuine. Written solely by myself, Stefani Gomez (Hi!), with a big passion for literature and Beauty!

B Beauty Edits

is where I review beauty products of all types, via my own purchases and PR/Brand collaborations.
